

Empathy comic strip

Create your own empathy-themed comic strip.

Use our storyboards - think carefully about your characters, how they feel and what they experience. Maybe how they feel, and what they show on the outside are different?

Do some characters show empathy, or perhaps some need empathy from others?

A storyboard template for a comic strip, consisting of 10 empty rectangular panels arranged in a grid. The panels are: Row 1: Two equal-sized panels. Row 2: A large panel on the left and a smaller panel on the right. Row 3: A large panel on the left and a smaller panel on the right. Row 4: Two equal-sized panels. Row 5: Two equal-sized panels. The panels are separated by thick black lines.
